3) Lr. No 1322/1/CIPET/13/C, dt:4-5-2013 of the Manager & Head, CIPET, Hyd.

In the reference 1st cited, M/s Central Institute of Plastics & Engineering & Technology, Hyderabad has requested to consider for taking up Plastics Processing Machine Operators (PPMO) course at CIPET, Hyderabad.

The proposal of the Central Institute of Plastics Engineering & Technology, Hyderabad is examined and decided to consider to take up the training in the course of Plastics Processing Machine Operator (PPMO) on Pilot basis with non-residential mode, subject to follow the terms & conditions of MEPMA. The allotment of the target (40) is for only one batch and it can be extended, subject to impart qualitative training and placements.

MEPMA reserves the right to instruct the training partner at any point of time during the tenure of pilot trainings, to close any of the centers besides stopping the payments for those batches if any of the following irregularities are noticed:

- Any deviation found as per MoA at any stage.
- Malpractices, Wrong entry or misuse of biometric attendance
- Infrastructure is not as per the norms of the RFP
- Not showing the placements to at least 75% of youth as per Inception of any batch (As per the MoA, minimum placements must be 75% of inception strength)
- The Name of District Co-Ordinator and name of MIS person at state level may be communicated.

The provisional acceptance is for the purpose of establishing the suitable training centers. The work order will be generated from the software only after the training centers are registered & training calendar is updated by you and approved by the MEPMA officials.

MEPMA is looking forward to extreme commitment from the training partners towards effective performance with quality trainings and better placements

(This has approval of the Mission Director, MEPMA)

Yours faithfully,

for MISSION DIRECTOR
