Lr.No. MEPMA/ESTP/Mobilization/2018-19..dt.26.06.2018

Sir/Madam,

Sub: - MEPMA – NULM – Employment through Skill Training & Placement (EST&P)
2018-19 –Collection of unemployed urban youth data – Instructions issued-Reg.

I invite attention to the subject cited, and it is to inform that the 'Employment through Skill Training & Placement' (EST&P) programme for the year 2018-19 will be commenced shortly in all ULBs across the state in different employable courses. The Govt. of India has fixed the target for EST&P component under DAY-NULM with 70% placement.

In this regard, the identification & mobilization of candidates who are interested in skill training and placement is very crucial to achieve the assigned target. Motivation of unemployed urban youth towards skill trainings is equally important.

The data of urban unemployed youth is available with District Employment Officers in all districts, as the Employment & Training department is collecting the unemployed youth data and equally involving in the Skill Trainings.

Therefore all the Project Directors of MEPMA in the state are requested to collect the updated data of urban unemployed youth pertaining to ULBs from the respective District Employment Officer and the collected data can be used as a source for mobilization of unemployed youth for skill trainings in the ULBs along with other conventional methods. It is further requested to submit the ULB wise abstract of data collected to MEPMA head office by 01.07.2018 positively.

Yours faithfully,

Addl. Mission Director
