Telangana.

**Lr.No.600/BL/TS/2014-15, Dated: 07-04-2016**

Sub: MEPMA- Updation of Bank Linkage into NULM Portal and Repayment details updation of non data sharing banks – Request – reg.

Ref: Training on Data entry with DMCs and TMCs held on 05.11.2015.

\*\*\*\*\*

During the field visit it is observed that most of the SHGs were not availed VLR & Interest subvention due to non updation of the data on daily basis with regard to Non Data Sharing Banks on Bank Linkage and Outstanding updation.

TCS is calculating the VLR & Interest Subvention for every month at the month end. If the field staff updates the data after the calculation of IS, then the SHG will not get VLR. Due to which most of the SHGs have not yet become eligible for VLR and Service Provider TCS is unable to compute the VLR.

Further, all the progress of NULM towns is to be entered into the NULM MIS portal from April, 2015 onwards. But the updation of Bank Linkage data is not yet started till now.

The Project Directors are permitted to complete the data entry in special drive mode by taking data entry operators on job work basis and complete the task before 31<sup>st</sup> April, 2016 in both MEPMA site & NULM site. If any CO / TMC / TPrO /DMC fail to update and complete this assignment before the said date, initiate disciplinary action against those employees.

Therefore, all the Project Directors are directed to ensure updation of total Bank linkage details along with repayment details before 31<sup>st</sup> April, 2016 in both NULM & MEPMA Site.

Yours faithfully,

  
Mission Director
