Sir/ Madam,

Sub:- MEPMA – Community Health –Member Training –Health & Nutrition –at slum level –mobilization of SHGs –identify the service providers –free Diagnostics for Blood Pressure, Complete Blood Picture, Random Blood Sugar –by 29th June –Reg.

Ref:- 1. This office Proc. Roc. No 6864/IB Health/2010-11, Dt: 24.6.2010.

2. Action Plan -2013-14 –Community Health & Nutrition

As per the ref 1st cited, it is to inform that PDs were already requested to take up member training capacity building programme from year 2010-2011 onwards on community Health and Nutrition towards strengthening of SHGs/SLFs and TLFs at district/town/slum level and necessary funds are also released under UCDN component – capacity building under various subheads for reaching the target of 1108272 SHG members.

As per the ref 2nd cited it is decided to conduct member level training on Community Health & Nutrition in the year 2013-2014.

Along with member training on Health & Nutrition it is proposed to conduct simple diagnostic systems like blood pressure, Complete Blood Picture (CBP), Random Blood Sugar (RBS) by District service Providers.

Hence you are instructed to identify the District Service providers to implement minimum Diagnostic procedure like Blood Pressure (BP), Complete Blood Picture (CBP), Random Blood Sugar (RBS) free of cost to women SHG members as per the Action Plan on member level training on Community Health at slum level and send the list of District service providers for free diagnostic as mention above for member level training by 29th June 2013.
