It is aware that the funds were released to ULBs through concerned Project Directors, IKP-Urban to complete the physical survey of slum profile, household profile, additional infrastructure and to upload the database in CGG website.

While reviewing the progress of survey under USHA, it is observed that the progress is very slow in many Municipalities. Hence, all the Municipal Commissioners where the survey under USHA is taken up were instructed to take all the steps to complete the physical survey of slum profile, household profile and additional infrastructure to upload the database in CGG website by 30-06-2013 vide reference 4<sup>th</sup> cited and reminded thereon vide reference 5<sup>th</sup> cited by 31-07-2013. But, no progress in the above work.

Therefore, all the Municipal Commissioners where the survey under USHA is taken up are once again requested to pay personal attention to this item of work and see that the work is completed by 15-12-2013 without fail.

Yours faithfully,

**Commissioner & Director  
Municipal Administration (I/C)**
