Lr. No. 1383 / 11 / C, dated: 7-01-2013

Sir,

Sub: - MEPMA – RYK – Problem of Bio-metric synchronization at GVMC –
Clarification issued for implementation - Requested - Regarding.

Ref: - 1). RC. No: 875 / STEP-UP / RYK / UCD / GVMC, dated: 27-12-2012 of
Commissioner, GVMC
2). Memo. No: 53 / REEMAP / BM / 2012, dated: 04-10-2012 of MD,
REEMAP

With the reference to letter 1st cited about non synchronization of bio-metric attendance and submission of bills without online attendance sheet. The MD, REEMAP vide reference 2nd cited was issued clear instructions for synchronization of bio-metric attendance which is known to all the training partners. There are many issues for not synchronizing bio-metric attendance due to fault in bio-metric device. The synchronization of the bio-metric machine and not getting attendance is the issue of training partner which has to be sorted out by the training partner itself.

The payment of inception to be released on basis of synchronization of attendance online by calculating 8 working days out of 15 working days. The payment without synchronizing online attendance will not be treated as payment and if any person do so will be personally responsible.

Therefore, the Commissioner, GVMC may take necessary action for release of payment on the basis of synchronization of attendance online to be generated from the RYK.CGG server.

Thanking you,

Yours faithfully,

MISSION DIRECTOR
