Telangana.

Sub:- MEPMA –SM & ID– NUHM – Mapping of MAS with concern urban Primary Health Centers – conduct regular SLF meetings at UPHC level – Reg.

<<>>

I invite your attention to the subject cited, as part of the implementation of community process under National Urban Health Mission it is proposed to conduct regular MAS meeting at SLF meeting level as ASHA as a member secretary .

Further, it is decided to map the existing SLFs (MAS) with urban primary Health centers (UPHC) as per the location and to conduct regular SLF meetings once in a year at UPHC level covering all SLFs to avail the services of UPHC and to raise the need base services on urban health issues.

Hence, the Addl. Commissioner, UCD, GHMC and all the Project Directors, MEPMA are directed to map the existing SLFs with the urban primary health centers and conduct regular MAS meeting at UPHC level in convergence with the Health Department
