3. Further, vide ref 1st cited, the Joint Secretary, MoHUA, GoI has informed that, the profile generated by conduct of Socio-Economic Profiling of Street Vendors and their families identifies the potential eligibility for select Central Government Schemes. Further, requested **to organize camps in the first week of every month, starting from 1st to 6th February 2021, for ensuring scheme linkages to these beneficiaries as per the eligibility.** The camps are to be organized with a caption of “**Pattana Pragathi – SVANidhi se Samriddhi**”. The detailed Standard Operating Procedure for organizing the camps is attached for your reference.

4. The following are the salient features for conducting the camps:

- The District Level Committee (DLC) should supervise the entire exercise of Socio-Economic Profiling and facilitate the camps for scheme linkages
- DLC should meet every month end for preparation of the upcoming camps
- City Level Nodal Officers (CLNOs) for various line departments should deploy on ground officials to conduct the camps and ensure form filling of the applications.
- CLNOs will report the applications and sanctions of the scheme on the IT portal designed for SEP
- Camps should be organized in such a way that one-time visits by the SVs and their families will enable them to apply for all the eligible schemes.
- PM Shram Yogi Maandhan Yojana has an online application process. Common Service Center (CSCs) representatives should be present at the camps. Eligible SVs and their families should be advised to bring necessary cash amount for scheme linkage.
- PMJJBY, PMSBY and Jan Dhan Yojana have bank specific forms. LDM should deploy relevant bank officials to setup desks at the camps to fill application forms of the eligible beneficiaries.
- PM Matru Vandana Yojana & Janani Suraksha Yojana have offline modes of application. The relevant CLNOs of Health and Women & Child Welfare Dept may deploy Asha / Anganwadi/ ANMs to ensure successful scheme applications and keeping in mind the convenience of the pregnant eligible beneficiaries, home visit are encouraged for making applications
- One Nation One Ration Card: Beneficiaries eligible for this scheme can avail the portability benefits of ration cards whenever they relocate or have migrated to the current city.
- Effective IEC activities at ULB level to communicate to SVs about the camps
- Infrastructure to be placed in Camps:
 - Speedy internet connection
 - Minimum of 4-5 computers
 - Printer, Scanners and photocopying services should be available at the camps
 - Counter for each Department separately
 - Proper seating arrangements, drinking water facility, public utilities.

5. Further, the CLNOs should update the details of successful applications made, sanctions and rejections of the scheme in the portal.

6. The Street Vendors and their family members whose profile is updated in Socio Economic Profiling may be mobilized to camps based on bank wise disbursements done. The indicative dates for mobilizing bank wise SVs is as follows:

Sl. No.	Date of Camp	Name of the Bank	Sl. No.	Date of Camp	Name of the Bank
1.	01.02.2021	SBI	4.	04.02.2021	SBI & remaining public sector banks not covered on any day

Introduction

SVANidhi se Samridhhi, an additional component of PMSVANidhi scheme, was rolled out on 4th January 2021 in 125 cities, in its first phase. Under this program, socio-economic profiling of PM SVANidhi beneficiaries and their families is conducted. The profile so generated, identifies their potential eligibility for select Central government schemes (See Annexure A for selected Schemes).

To ensure speedy linkages to these Schemes, one week long campaign, SVANidhi se Samridhhi - City level camps, will be organised, starting on the first monday of every month, by the District Level committee (DLC), under the chairmanship of the District Collector/ Municipal Commissioner. National Nodal officers, State Nodal officers, City Level Nodal Officers (CLNOs) deployed by the Concerned Ministries of the various Central Schemes will ensure Scheme Linkages in these Camps (See Annexure B for details of Nodal Officers).

1. Data collection and assessing eligibility

Data collection for Socio-economic profiling of PM SVANidhi beneficiaries and their families is done by ULB officials through a web-based/mobile application. The list of PMSVANidhi beneficiaries (disbursed loans) is available on the IT portal designed for this program. The profile so generated identifies the eligibility of the beneficiaries for select Central government schemes, and text messages are delivered to the Street Vendors on their registered mobile number. The progress of the activities can be seen on the IT portal by ULB and state level officials.

2. Linkages to Central Schemes

District Level committees will play an important role in ensuring scheme linkages to eligible PM SVANidhi beneficiaries and their families.

2.1 Constituting State and District Level Committees

For effective scheme implementation and monitoring, a State / UT Level Monitoring Committee headed by the Principal Secretary Urban Development / Municipal Administration and District Level Monitoring Committees (DLCs) chaired by District Collectors (DC)/ Municipal Commissioners (MC) are to be constituted. City Level Nodal Officers (CLNOs), deployed by concerned Ministries, will be co-opted members of the District Level Committees. (See Annexure C for Composition of DLC)

The Role of the District Level Committee (DLC) is to supervise the

entire exercise of socio-economic profiling and facilitate the camps for scheme linkages. DLCs should meet every month- end for preparation of the upcoming camps and deliberate on the following:

- Assess the eligibility data of PMSVANidhi beneficiaries and their families for each of the selected schemes.
- Plan of action for camps to be organised in the first week of the following month.
- The targets for the camps will be the eligibility data till date of the camp.
- Designate relevant on-ground officials for conducting the camps and filling of application forms of the schemes
- Plan of action to mobilise the Street Vendors for the camps - IEC activities, adherence to COVID-19 restrictions during camp mobilization etc.

2.2. Appointment of the CLNOs

City Level Nodal Officers (CLNOs) have been deployed by the Concerned Ministries for each of the selected Schemes are to be appointed as the co-opted members of the DLC. CLNOs are assigned specific roles as under:

1. CLNOs, under the leadership of the District Collector/ Municipal Commissioners (MC), will coordinate with ULB officials to organise the city level Camps.
2. CLNOs will deploy on ground officials to conduct the camps and ensure form filling of the applications.
3. CLNOs will report the applications and sanctions of the schemes on the IT portal designed for socio economic profiling (CLNOs are provided with Login credentials).

2.3 Organising Camps

City level Camps titled “SVANidhi se Samriddhi Camps” should be organised in the first week of every month by the CLNOs to facilitate linkage of eligible Schemes. Following steps should be kept in mind while organising the Camps:

2.3.1 One-time visits for Street Vendors in the Camps

Camps should be organised in such a way that one -time visits by the Street Vendors and her/ his family members will enable them to apply for all the eligible schemes. The CLNOs and their representatives should be present in all five days of the camp.

2.3.2 Filling applications at Camps

1. PM Shram Yogi Maandhan Yojana has an online application process. Common Service Centres (CSCs) are authorised to make applications for this scheme via online portal and facilitate the payment procedure of the first instalment of Rs. 55-Rs.200.

DLCs and the ULB officials should contact the local Common Service Centres (CSCs) for this purpose. Eligible Street Vendors and their family members should be advised to bring necessary cash amount for scheme linkage (See Annexure D for age wise first installment details).

CSCs have been instructed to be present at the ULB level camps by the Ministry of Labour and Employment to facilitate the scheme applications.

2. **Registration under BoCW-** The application mode used in the State, online/offline, may be used for making applications for the scheme. CLNOs must ensure due diligence required at the camp location to facilitate successful applications.
3. **PM Jeeban Jyoti Yojana, PM Suraksha Bima Yojana and PM Jan Dhan Yojana** have bank specific forms. Lead District Managers may deploy relevant bank officials to set up desks at the camps to fill application forms of the eligible beneficiaries.
4. **PM Matru Vandana Yojana & Janani Suraksha Yojana** have offline modes of application. The relevant CLNOs of both the concerned departments may deploy officials (ASHA/ Anganwadi/ ANM workers) to ensure successful scheme applications. Keeping in mind the convenience of the pregnant eligible beneficiaries, home visits are encouraged for making the applications.
5. **One Nation One Ration Card** - Beneficiaries eligible for this scheme can avail the portability benefits of ration cards whenever they relocate or have migrated to the current city. The CLNOs present at the camps may facilitate information about the nearest FPS/ PDS shop through ONORC mobile application. Beneficiaries can be informed about the benefits of portability and the process to do the same. Chandigarh, Dadar & Nagar Haveli and Puducherry have got separate application forms. These UTs may ensure scheme applications accordingly.

2.3.3 Documents to be carried by Street Vendors

To ensure hassle free process of Scheme applications, Street Vendors should be informed prior to the camps to carry a list of documents (See Annexure E). This is an indicative list, for accurate details ULB officials may prepare a checklist of documents required for enrolment in specific schemes, with the help of the CLNOs.

2.3.4 Mobilisation of Street Vendors through IEC activities

Effective IEC activities undertaken at ULB level will play a vital role to communicate to the street Vendors about the camps. These could be in the forms of hoardings at important locations in the cities, announcements through mobile vehicles, radio jingles, flyers etc. PMSVANidhi beneficiaries could also be informed about the camps (following month) during the data collection activity by the data enumerators. Exact dates and locations of the camps should be communicated to the Street Vendors by the month end.

2.3.5 Infrastructure for Camps

Following are the indicative list of infrastructure requirements that should be arranged at the Camps. This is an indicative list, ULBs may improvise for efficient and speedy work. It is suggested that data feeding for the applications and sanctions may be done in the camps itself, by the CLNO:

- Speedy internet connection
- Minimum of 4-5 Computers
- Printers, Scanners and Photocopying services should be available at the camps
- Proper Seating arrangements, drinking water facility, public utilities

2.3.6 Adherence to COVID-19 restrictions

SVANidhi se Samriddhi Shivar should be organised with strict adherence to the COVID - 19 restrictions, and social distancing norms. Care should be taken to ensure all necessary infrastructure (Sanitisers, thermal scanning machines etc).

3. Reporting Structure for CLNOs

CLNOs play an important role in timely data feeding on the portal about the successful applications made, sanctions and rejections of the Schemes.

- Every CLNO is provided a login ID and password for accessing the portal.
- List of the eligible vendors can be searched by vendor's name, PMS number, mobile number.
- As per the successful applications made in the Camps, CLNO should update the reference no. of the scheme application in the 'Action' column.
- Once the application is completed, the CLNO has to undertake further procedures for scheme.
- linkage and update the status of application as sanctioned or rejected.
- CLNO has access to information of Total eligible beneficiaries, total applications completed and total sanctions on the Dashboard.

Once the CLNOs mark applications made, and sanctioned, the dashboard will show accurate graphical representation.

Guidelines for
Socio-Economic Profiling of PM SVANidhi Beneficiaries

Atma Nirbhar Bharat

Socio Economic Profiling of

PM SVANidhi Beneficiaries and their Families

1. Background

COVID-19 pandemic has adversely impacted the livelihoods of street vendors. Keeping this in view, the PM Street Vendor's AtmaNirbhar Nidhi (PM SVANidhi) - a Central Sector Scheme was launched by the Ministry of Housing and Urban Affairs, on June 1, 2020 to facilitate special micro-credit for working capital to street vendors, through Lending Institutions, for facilitating resumption of their livelihoods.

As envisioned by the Hon'ble Prime Minister, PM SVANidhi scheme should not to be seen from the perspective of extending only loans to street vendors, but should also be seen as an instrument for outreach to street vendors and their families' for their holistic development and socio-economic upliftment.

Therefore, it is felt appropriate to link PM SVANidhi beneficiaries and their families, as per their respective eligibilities, to the existing welfare schemes of the Government of India, designed as safety nets to protect the poor from the socio- economic risks and insecurities of life and livelihoods. This exercise is being undertaken under the overall ambit of PM SVANidhi Scheme.

2. Objective

The programme would map the socio-economic profile of the PM SVANidhi beneficiaries and their families, assess their potential eligibility for various Central welfare schemes and facilitate the linkages to these schemes.

The socio-economic profiling will also help States, if they deem fit, to extend their State-specific welfare schemes & benefits, to the eligible PM SVANidhi beneficiaries and their families.

3. Coverage

The programme will cover PM SVANidhi beneficiaries and their household members in 125 cities, in the first phase, up to the duration of PM SVANidhi scheme i.e. March 2022. (List of 125 ULBs is at **Annexure A**)

4. Areas of Socio-economic profiling

Socio Economic profiling of the PM SVANidhi beneficiaries and their families will focus on collecting information/ data in respect of:

- a. Housing and other assets,
- b. Health coverage and disability status,
- c. Education, Skills and Employment,
- d. Women and Child Welfare,
- e. Banking and Insurance,
- f. Migration status,
- g. Occupational Category of family members,
- h. Aspirational Mapping, and
- i. Any other relevant area.

The key purposes of the socio-economic profiling are -

- a. Access mapping w.r.t eligibility for Central Schemes (List of selected Schemes for the program is in **Annexure B**), and
- b. Creation of baseline data for PM SVANidhi beneficiaries.

5. Data Collection

A structured respondent-based survey shall be administered through an IT platform, where no documents will be collected at the survey stage. The IT platform will have an embedded feature to assess the potential eligibility of the respondents for selected Central Welfare Schemes.

MoHUA has engaged a third-party agency for developing the questionnaire and an IT tool for collection of data. Data collection will be done by the Urban Local Bodies (ULBs). The IT tool will also include a 'dashboard' for information, monitoring, etc.

The list of beneficiaries, for the selected cities, will be provided through the PM SVANidhi Portal.

MoHUA will arrange for web-based training and sensitization of ULB officials for conducting the socio-economic profiling.

The administrative expenditure for program implementation would be borne by MoHUA and would be transferred directly to ULBs.

6. Facilitating Linkages to Central Welfare Schemes

Data thus collected, at the ULB level, of potential eligibility of the respondents will be shared with the concerned ministries/ departments to assess city-wise the targets and devise strategies. This data will also be shared with concerned State Governments/ District Administration to ensure speedy linkages of PM SVANidhi beneficiaries and their families with the selected Central Schemes.

The profiled data may also be utilised to extend State-specific welfare schemes & benefits to beneficiaries and their families, as decided by the States

7. Integrated IT application for programme implementation

An integrated Mobile application and web-based IT tool will be developed for the data collection and assessing the potential eligibility of the beneficiaries for selected Central welfare schemes. This IT platform will be integrated with the existing PM SVANidhi Portal.

8. Branding & IEC

Branding is an important aspect of communicating about the programme with different stakeholders, especially the target beneficiaries. Innovative use of various platforms including the local and social media will be encouraged to reach the targeted beneficiaries in an effective and engaging manner.

Necessary Information, Education and Communication (IEC) and capacity building modules will be provided by MoHUA. This programme will follow the Standard Branding and Communications guidelines issued for the PM SVANidhi Scheme.

9. Implementation Partner

A Third party implementation partner will be engaged by MoHUA for -

1. Designing the respondent-based survey questionnaire
2. Development of IT tool for data collection and data-dashboard
3. Capacity building of ULB officials for IT tool handling (till three months)
4. Real time back end support and regular data analysis

5. Baseline Data analysis and submissions

10. Administrative and Monitoring Mechanism

The programme will have the following implementation structure at the Central, State/UT, District and ULB level.

Roles and responsibilities at each level are provided below:

A **Central Level Steering Committee** chaired by Secretary, HUA (Composition of the committee is at **Annexure C**) would oversee and monitor the implementation of the programme.

There will be an **Executive Committee** chaired by Joint Secretary, DAY- NULM that will be represented by the nominated JS level officers of the concerned Central Ministries, to supervise the day-to-day implementation of the programme.

All the Central ministries/ departments shall also nominate a Director level officer as '**National Nodal Officer (NNO)**' for any information exchange regarding programme implementation.

Additionally, all the above mentioned ministries/ departments will nominate **State Level Nodal Officers (SLNOs)**, **Regional Nodal Officers (RNOs)** and **City Level Nodal Officers (CLNOs)**, who will directly monitor and implement the coverage in the selected 125 cities. **The RNOs/CLNOs will coordinate with concerned District Collectors/ Municipal Commissioners to ensure sourcing of applications and scheme linkages.** The ULBs will mobilize beneficiaries for sourcing of applications and coordinate with CLNOs.

The **Central Nodal Officers (CNOs)**, appointed to supervise the implementation of the PM SVANidhi Scheme in these selected 125 cities, would also be supervising implementation of this programme.

A **State level/ UT level** Monitoring Committee, chaired by the Principal Secretary/ Secretary of Urban Development/ Municipal Administration (composition of the

committee is at **Annexure D**), will monitor all aspects of the programme implementation in the Districts and ULBs within the State/ UT.

A District Level Committee will be chaired by of District Collector (composition of the committee is at **Annexure E**). In bigger Municipal Corporations, where the Municipal Commissioner is senior to Collector he/she will head such a Committee. This Committee will have representatives of relevant State Government Departments such as Civil Supplies, Health, Women and Child etc., and RNO/CLNO.

Urban Local Bodies will be responsible for web- based/ mobile application- based **data collection** of the PM SVANidhi beneficiaries and their families. For the purpose of data collection, ULBs may deploy locally suitable mechanism such as door-to-door data collection or mobilising beneficiaries at the ULB office or camp mode, subject to strict adherence to the COVID-19 restrictions. ULB should also undertake outreach and awareness activities for the programme.

The ULB will share the data on eligible beneficiaries, derived from IT- based data collection, with the District level committee, for further processing the scheme benefits to the eligible beneficiaries.
