In the references 1<sup>st</sup> to 3<sup>rd</sup> cited above, the Project Directors of MEPMA have been permitted to engage one pool vehicle for the period from March, 2013 to August, 2013 to the verification team of RYK and engagement of the vehicle must be subject to the conditions of the Government rules and the necessary expenditure can be met from the funds under 4% of A & OE of RYK .

Keeping in view the essentiality for engaging vehicle to the verification team of RYK for verification of placements and the request made by the Project Directors of all DPMUs, it is decided to extend the engagement of pooling vehicle for another 2 months i.e. September & October, 2013 to the verification team of RYK subject to the same conditions as mentioned earlier.

All the Project Directors are requested to submit the details of usage of vehicle date wise i.e., purpose and number of Kilometers travelled.
