

Office of the Mission Director,  
MEPMA, A.C.Guards, Hyderabad.

Cir.. No. 1383/12/C, Date: 28.3.2013

Sub:- MEPMA-STEP-UP/RYSK- Implementation of RYSK- Scanned copy of candidate SSC certificate shall upload for validation before 2004 passed out candidates- Instructions issued - Regarding

Ref: Memo.No.26/MD-REEMAP/MIS/2012,dated:8-2-2013 of the MD, REEMAP

Vide reference cited above, the MD, REEMAP, have issued the following instructions and requested to inform to the staff and training partners of MEPMA.

- **SSC data is available from 2004 onwards in respect of SSC Board and in respect of APOS the data for the year 2009 onwards is available only. For on-line validation candidates the following procedure shall apply:**
- 1) **Training Partner Role:** The training partner shall upload the SSC certificate scanned copy at the time of "BATCH MAPPING" along with other details.
- 2) **MEPMA- DPMU Role:** The uploaded certificate of candidate will be available in the batch approval screen of Sub-Mission's batch confirming officer He/She shall physically check the hard copy of certificate and uploaded certificate. If the certificates are not attaching, that particular candidate should be dropped. Unless and until the candidates whose certificates have been uploaded got confirmed, the batch inception cannot be completed.

Therefore, the Project Directors of DPMUs, and the Commissioners of GVMC & VMC are requested to follow the above guidelines and implement effectively to achieve the desired results under RYSK.

(This has approval of the Mission Director, MEPMA)
