Lr.No 05/MEPMA/EST&P/D1, dated:29 -05-2017

Sir/Madam,

Sub: - Certain instructions regarding implementation of the EST&P Programme –Reg.

It has been observed that due to technical problem in the functioning of Aadhar Server at Centre for Good Governance, the attendance of the trainees is not synchronizing with the portal attendance, the steps are being taken up by the CGG with the UIDAI authorities and the issues will be cleared within few days.

Keeping in view the situation, the attendance has been updated by the CGG for the lists sent from the ULBs and accordingly the Skill Training Providers, generated the invoices and forwarded to the DMCs for taking further action. In this regard, you are requested to instruct the DMCs to verify the list by physically checking the candidates & manual attendance register, delete the candidates who are not attending the center from the beginning and forward the invoices to the PDs log ins within 6 days (before 5th June, 2017) of all the invoices generated by the STPs for taking further action as per the existing procedure.

As the existing batches are belonging to the year 2016-17, the delay in the process would be viewed seriously and action would be taken against the DMCs who delayed the process and not complied the instructions.
