- Lr.Roc.No. 3082/IB 2011/D1 -dated: 19.7.2013 -

Sir,

Sub:MEPMA - Implementation of Institution Building activities -
reimbursement of expenditure to SLFs and TLFs - instructions -
issued - regd.

Ref: Regional review meetings dated 5.7.2013, 9.7.2013, 10.7.2013 and
11.7.2013 held at MEPMA office.

It is to inform that funds were released under various subheads under UCDN component of SJSRY towards SHG/SLF strengthening since 2007-08. During regional reviews it was noticed that inspite of availability of sufficient funds under UCDN component, PDs are allowing to utilize the SLF and TLF corpus funds for various purposes like trainings , traveling allowance to CRPs while attending trainings at Hyderabad etc., which is not at all advisable. **Therefore, it is directed to release the said amounts immediately to SLFs and TLFs, being utilized for various purposes from their corpus without causing burden on the corpus funds of SLFs and TLFs.** You are also requested to prepare and submit action plan for utilization of balance funds . PDs are directed to return the unspent amounts under various subheads under UCDN components if action plans are not ensured. This may be treated as important and any deviation will be viewed seriously.
