I invite your attention to the reference cited, the Government of India, Ministry of Housing & Urban Affairs New Delhi has issued the instructions on combating against COVID-19 and at this crucial juncture of lock down on providing shelter, food and taking care of all required needs of vulnerable sections like migrant labourers, Homeless, daily wage earners and urban poor families are priority areas for the nation on the following points and further action taken report immediately by all the Urban Local Bodies

- a) Registration of skilled labourers to create a pool of human resource at local level and facilitate appropriate employment in association of local Employment Exchange, District Industry Centres or Labour Department as the case may be.
- b) Creating a pool of skill set readily available at local level addressing the shortage of labour and other workforce by providing employment opportunities in construction completion of houses under PMAY (U), specially of BLC vertical which are available almost in all ULBs.
- c) Provide temporary shelters to migrants at serviced vacant houses, constructed under various housing schemes in the city, wherever required.
- d) Conducting various training activities for semi-skilled and unskilled labourers in construction/ housing related activities such as mason, carpenter, electrician, plumber etc. by associating relevant training centres, as per their skill set preference. These training programmes may be technically supported by Building Material Technology & Promotion Council (BMTPC), a subsidiary of Government of India
- e) Migrants who are not interested or not fit for construction sector, can be provided with other vocational trainings as per their choice through DAY-NULM scheme.

The above instructions and guidelines are also adopting the Govt. of Telangana. Hence I request the Additional Commissioner UCD., GHMC and all the Project Directors, MEPMA in the state to take necessary steps on the above points in the view of COVID 19 lock down by assisting these migrant /labourers to secure their livelihood at local level in all the ULBs by following the online updation of data in CDMA web portal and furnish the action taken report in the prescribed format immediately.

(This has the approval of Mission Director MEPMA).
