Roc. No: 237 / 2012 /C/UIDSSMT, Date: 07 -05-2013

Sub: -MEPMA Providing individual water supply house service connections (HSCs) to all the BPL households living in slums – Monitoring of water supply through Tankers and Taps- Monitoring and reporting by SLFs - Reg.

Ref: -1).Instructions of Hon'ble Minister Municipal Administration and Urban Development in the Video conference held on 06-05-2013.

Vide reference cited it has been decided to monitor the supply of the water to the slums in the ULBs through the Slum Level Federations (SLFs) in those ULBs where the protected water is not being supplied daily.

In this connection, all the Project Directors are instructed to train-up (SLFs) to monitor the supply of the water to the slums in the ULBs and upload the status on **daily basis**. Hence the Project Directors are requested to instruct the SLFs to collect the information through RPs/Cos and up load the same in the format placed in the MEPMA web site (model enclosed)to be monitored from the o/o TLF.

Since the item of work is an important one and it shall be attended on priority basis. The list of Towns where monitoring done is enclosed.
