<◇>

Disability Day, or the International Day of People with Disability, is a day that has been promoted by the United Nations since 1992. The aim of Disability Day is to encourage a better understanding of people affected by a disability, together with helping to make people more aware of the rights, dignity and welfare of disabled people, as well as raise awareness about the benefits of integrating disabled persons into every aspect of life, from economic, to political, to social and cultural. Disability Day is not concerned exclusively with either mental or physical disabilities, but rather encompasses all known disabilities, from Autism to Down Syndrome to Multiple Sclerosis. **World 2014 theme · Sustainable Development: the Promise of Technology**

This year the International Day of Persons with Disabilities will focus on the role of technology in:

- Disaster Risk Reduction and Emergency Responses
- Creating Enabling Working Environments
- Disability-Inclusive Sustainable Development Goals

On the occasion of World Disabled Day on 3rd Dec,2014, MEPMA has decided to observe “World Disabled Day” celebrations with a view to secure wide coverage and disseminate the message to all the stake holders with the following list of indicative agenda at all District Head quarter ULBs covering all the TVSSs in the district.
