Lr.No 431/MEPMA/NUHM /C2

Date : .01.2017

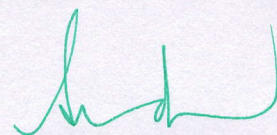

Sub : MEPMA-NUHM –Community Process – Pulse Polio NID round on  
29<sup>th</sup> January 2017 – Urban areas –extending support –total coverage  
including Vulnerability pockets –Reg  
Ref : 1. D.O.Lr.No.47/PPI/JD(CH&I) 2016-17 Dt:11.01.2017 from  
Mission Director NHM to MD MEPMA

The Govt. of India has instructed to conduct the 1<sup>st</sup> round of Pulse Polio Immunization in the state on 29<sup>th</sup> January 2017 as booth day activity followed by House –to- House on 30<sup>th</sup> and 31<sup>st</sup> January 2017 .4<sup>th</sup> day activity ( 1<sup>st</sup> February 2017) will be conducted in Municipal Corporation areas. During PPI , bOPV vaccine will be orally administered to all the children in the age group of 0-5 years instead of tOPV as was done in the previous rounds .

All our combined efforts were instrumental in India being certified as Polio Free Country by WHO. However there is a possibility for importation of Polio Virus from Polio endemic countries.

The main focus will be on vulnerable groups like beggar community , nomadic tribes, fishermen community , migratory families , construction labour, Urban slum dwellers, residents of peri urban areas, overlapping the surrounding Panchayats, new colonies outside the towns , tourist groups, families with working hours that do not coincide with the team visits agricultural families living /working in the fields .

Hence all Project Directors are requested to **support the Pulse Polio Immunization ( PPI) in the urban areas on January 29<sup>th</sup> , 2017 as booth day activity followed by House –to-House activity on 30<sup>th</sup> Jan to 1<sup>st</sup> Feb 2017 4<sup>th</sup> day activity covering all ULBs** by verification of micro-plans and ensure total coverage of all urban slums including peri- urban areas on Vulnerable groups by involving the Self Help Groups ( SHGs) and to provide suitable buildings under the jurisdiction to function as PPI Posts.
