 MEPMA, Hyderabad

To
 Skill Training Providers of MEPMA

Lr.Roc.No.600//TS/20015-16 ,Date ²⁸⁻⁴⁻08-2015

Sub: MEPMA – Implementation of EST&P programme- Certain instructions regarding placements - Reg.

Ref: Memorandum of Agreement between MEPMA and the STPs

It is observed that as on date, 1368 candidates were trained & assessed across 14 NULM Towns out of which only 612 (44.7%) candidates were provided placements.

As per the terms of MoA, the training provider shall ensure the following:

- The Skill Training Provider shall identify placements for the trainees before freezing the batch for inception. (2.1,d (v))
- The Skill Training Provider shall ensure that placements are provided to the trainees completing the training successfully with assured monthly salary as per the minimum wages act and industrial standards.
- The Skill Training Provider must place all the trained youth (minimum should be 50%) in sectors relevant to the training imparted.
- All placements shall be done by the skill training provider not later than 30 days of batch completion date. (2.1,i. (iii)

As per the terms of MoA, the following are the penalty clauses for deficiency in quality of services provided by the STPs.

1. If number of qualified trainees is below 75% of the total batch size – a penalty equivalent to 10% of the total amount paid.
2. If number of placed candidates is below 50% - a penalty equivalent to 15% of the total amount paid.

As seen from the online reports, the placements provided by the STPs are only 44.7% of the assessed candidates. Further, it is noticed that the placed candidates are not found in the work place by the verification officers in most of the cases.

In view of the status mentioned above, all the skill training providers are here by warned that suitable penalties will be imposed against the defaulters in providing required number of placements to the trained candidates as per the clauses of the MoA mentioned above.

Further, the skill training providers are requested to provide genuine placements to all the eligible candidates and submit the explanation for not providing the required number of placements so far to the under signed within 3 days.

Yours faithfully,

 MISSION DIRECTOR

Copy to: The Project Directors, MEPMA in the state with a direction to take action against the default STPs as per the conditions of the MoA.
